

# Privacy policy

## Your personal data

In order to develop new communication tools, we must pay particular attention to the protection of privacy.

We undertake to respect the confidentiality of the personal information we collect.

### Collection of personal information

We collect the following information:

- Name and first name
- Email address
- Phone

The personal informations we collect are collected through forms and through the interactivity established between you and our website. We also use, as indicated in the following section, cookies and / or newspapers to gather information about you.

Forms and interactivity: Your personal information is collected through forms, namely:

- Contact form Privacy Policy

We use the collected information for the following purposes:

- Information / Promotional Offers
- Contact

Your information is also collected through the interactivity that may be established between you and our website as follows:

- Contact

We use the collected information for the following purposes:

- Correspondence • Information or for promotional offers

### Right of opposition and withdrawal

We are committed to offering you the right to oppose and opt out of your personal information.

The right of opposition is understood as the opportunity for Internet users to refuse to use their personal information for certain purposes mentioned during the collection. The right of withdrawal is understood as the possibility for Internet users to request that their personal information is no longer included, for example, in a mailing list.

To exercise these rights, you can contact:

## Security

The personal information we collect is kept in a secure environment. People working for us are required to respect the confidentiality of your information.

To ensure the security of your personal information, we use the following measures:

- Secure Sockets Layer (SSL) protocol
- Computer backup
- WP Cerber Security, Antispam & Malware Scan

We are committed to maintain a high degree of confidentiality by incorporating the latest technological innovations to ensure the confidentiality of your transactions. However, as no mechanism provides maximum security, some risk is always present when using the Internet to transmit personal information.

## Législation

We undertake to respect the legislative provisions laid down by the French legislation, the CNIL and the applicable European directives.
